A Member of **MS&AD** INSURANCE GROUP

Commercial vehicles are essential to businesses around the country, be it for delivery of goods directly to customers or transporting stock and supplies from one place to another, and more. Any loss or damage to the vehicle due to a road accident may significantly impact business operations. Here at MSIG, we understand that every little bit counts and we are here to lend a helping hand.

MSIG now offers a more affordable comprehensive commercial vehicle insurance for goods-carrying vehicles with extended coverage packaged into a single policy for customers' convenience. **MSIG Commercial Motor Plus** comes with five add-on that provide personal accident cover for authorized drivers and passengers, an increased towing limit, and allowances that may help offset expenses incurred by the business when the insured vehicle is stolen, damaged by flood, or involved in an accident:

- Flood Inconvenience Allowance;
- Theft Inconvenience Allowance;
- Accident Repair Allowance;
- Transportation of Damaged Vehicle; and
- Personal Accident for Driver and Passenger.

Our Account Handler will be contacting you soon to brief you on this product and we take this opportunity to thank you in advance for supporting [MSIG Commercial Motor Plus](#).
